

MATH SEQUENCE

Special Notes:

1. Unless otherwise indicated, the prerequisite grade to move forward is a **C-**
2. Certain math courses use MyMathLab for homework and/or quizzes. They are marked with MML in online schedule and are noted in printed schedule
3. MAT 135 is a terminal course intended for students in Criminal Justice, BOT, DARC, Human Services, Visual Fine Arts, Photography and Graphic Design.
4. Some developmental courses are taught 3 days per week and these may serve underprepared students well.
